Intro

Event Lounge is a venue with a trendy and glamorous style, offering you an “all in one” concept package for your events and corporate events: Rooms equipped with the most modern audio and video technology, a modular set-up, high-level catering, as well as an experienced and dynamic coordination team.

The originality, modularity and flexibility of Event Lounge allows you to organize a staff party, a product launch, a conference, a seminar, a hybrid event, a lavish gala, an awards ceremony & more.

At Event Lounge, you have at hand all the support you need to make your event unforgettable. The unlimited creativity of Event Lounge is the reason for its forever growing success.

Event Lounge offers an infrastructure of 2500m² of Business & Event possibilities. This unique venue can host events from **40 up to 1150 guests** with his main room of **1250 m² and 11m height**.

Event Lounge is easily accessible and situated not far from **the heart of Brussels & Brussels National Airport**. Event Lounge has a private parking of **150 cars** and parking facilities in the surroundings for **300 cars**.

Event Lounge cares about the environment and limits its CO² emissions wherever possible. In this respect, Event Lounge has signed the “**Green Key, ECO dynamic**” charter and has undertaken a series of steps to limit its ecological footprint.

Technical partners

Laser System Europe

Creative technology

Starting 13/02/2026, Laser System Europe (LSE) becomes our exclusive technical partner, bringing over 30 years of event-technology expertise. Known for integrating lasers, drones, water and special effects, lighting, and video, LSE has transformed venues worldwide. Together, we

are reinventing our technical infrastructure: a 180° cyclo screen powered by five Barco projectors will deliver fully immersive visuals, while a kinetic ceiling of 12 movable fixtures will reshape the room's volume—adapting seamlessly from open symposium settings to intimate gatherings or dynamic party atmospheres.
